

VIBRATIONAL INTELLIGENCE

IONATION® FRAMEWORK

ORGANIZATION

ORGANIZATION

Every-Thing – manifestAt-ION – exists on a vibratIONal
Spectrum of Essence to Form and is a unique
vibratIONal signature – a frequency – a PulsAtION in a
vector field of gradient tensION.

Each manifestAtION is a unique configurAtION of
inFormatION: a particular format, arrangement of
energy. To manifest an idea, an experience, or a
physical object is to “configure IONs.”
